

LITTLE EGYPT DISTRICT OF STUDENT COUNCILS

Dear LEDSC Advisors,

Greetings on behalf of the LEDSC Executive Board! As Vice President of the LEDSC, I am writing to inform you that applications for candidate positions for the 2024-2025 school year are now open. Students interested in any of the five positions: President, Vice President, Secretary, Treasurer, or District Liaison must attain at least one year of high school student council experience in high school. No more than 2 students from each school may run. Candidates must complete the application and send it to ledscvicepresident@gmail.com by **Monday, January 8th, 2024**. Candidates are also required to attend two district meetings before being interviewed.

Upon applying, each candidate, in addition to their adviser, must be interviewed by the LEDSC Credentials Committee. The candidate interview session will take place on **Thursday, February 15th, 2024**, at Marion High School at 10am. *Business attire is required*. Based on the interviews and a review of applications from the Credentials Committee, each candidate will be awarded a recommendation status in order to ensure qualified officers are elected.

Officers in the LEDSC are required to carry out many duties outlined in the LEDSC Constitution. Officers are also required to attend monthly district meetings. Attendance at the IASC State Convention is also highly encouraged.

Running for district office is an excellent way to become better involved and share your ideas on improving our district. We encourage any student interested in running for office to apply. If you have any questions about the application process, feel free to contact me by email at ledscvicepresident@gmail.com or contact the Advisor-At-Large, Dr. Jamey VanZandt, at jvanzandt@mvths.org.

Sincerely,

Grace Roper
LEDSC Vice President
